**VI. Discussion/information items**

<b>ITEM TITLE</b>	Make a difference day
<b>DISCUSSION NOTES</b>	Had many volunteers come to help. The hallways were painted and touched up. The door trims were painted. The mural was painted on the street in front of the school. It was a great turn out and the school looks great. We put together the white board tables that were put in Ms. Green and Ms. Ruiz’s classrooms, we have one more set of tables for a teacher that would like them. Most teachers like the individual desks so that the students can store their items. Ms. Schiavone would like the baseboards done next but will hold off due to the bond being passed and one of the items the bond may pay for is new flooring. A lot of clean up was also done and we filled a roll off dumpster

<b>ITEM TITLE</b>	Water Fill Stations
<b>DISCUSSION NOTES</b>	We received the Water fill stations and a work order is in to have them installed

<b>ITEM TITLE</b>	Laminator
<b>DISCUSSION NOTES</b>	The Laminator was ordered and is being shipped out and on its way to Kellond.
