**DISCUSSION NOTES**

Ms. Schiavone went over the Stories That Soar program. It involves the whole school able to participate in submitting stories and the members of the program collect the stories and create a story that is played out for the whole school. The program provides the actors, props, and other supplies needed for the performance. The manuscript is given to the school. Ms. Aguilar asked if there was something the school was looking to use the funds for. Ms. Schiavone said there were other things the funds could be used for but not allocated for at this time.

---

Ms. Schiavone suggested the funds be used for Stories That Soar this year and see how it works out and look at having the program next year if the program is a good fit for Kellond.

Elizabeth made a motion to use \$6500.00 of undesignated tax credit funds for the purchase of the program Stories That Soar, Ms. Schiavone seconded, all are in a favor with no one opposing the motion.
