

WELCOME TO KINDERGARTEN

Dear Cougar Families,

I am thrilled and excited to meet you all. Thank you for choosing Kellond and me for your child's learning. Let's help each other for your child as you know them well and let us work together. Our partnership will definitely have a positive impact to your child's education. Our class will be a safe and inclusive learning environment where your child has the opportunity to express their own ideas and reach their maximum potential. My goal as a teacher is to give different opportunities to each learner to explore and learn. I will always **communicate** with you. We will use **ClassDojo** where we can contact each other, exchange messages, photos, and documents. You can download "ClassDojo Free App" on your phone and I will send you an invite through your email to join our ClassDojo, so please make sure your contact information is correct on Synergy. You can also reach me anytime through my email, christine.edang@tusd1.org or call at e (520) 584-5100. I am looking forward to a fun, meaningful, and wonderful year ahead!

Respectfully,

Ms. E
